Comments From The Students

"I really enjoyed this class. I've learned a lot of things."

"I loved the hands-on building. It was great to be able to put into practice the skills I learned during the week."

"The field trip was incredibly interesting and fun. It helped me get a feel for what construction and job-sites are all about."

"It was AWESOME!"

"I worked the whole summer in a construction job that was great, and made terrific money. Thanks, guys!"

"It gave me a direction to take my career."

| | | |
| | | |
| | | |

Section IV – Parental Approval

Parental approval is required unless the student is 18 years of age (which must be verified). Signature of parent or legal guardian verifies that the student has permission to participate in the 2009 Future Builders Academy, with the understanding that any offer and/or acceptance of employment is between the student and the contractor. No student is guaranteed employment. Parents of students under 18 are required to attend an orientation.

| | |
|---------------------|-------|
| Parent Name (print) | Phone |
| Parent Signature | Date |

Section V – Student Career & Short Essay

Career Goal/Interests

Please write a short essay why you wish to be selected for this program and why you believe you should be selected. Write Legibly!

Section VI – Student Agreement

Signature of student below verifies that all the information provided is accurate and honest and that student desires to participate in the Future Builders Academy 2009. Student further accepts that participation in this program is not a guarantee of employment and that any offer and/or acceptance of employment is strictly between the student and the respective employer(s). The student also agrees that they are in compliance of Prop. 300.
